

Hurricane Milton: Managed Vendor Partner (MVP) Program

Accessing and coordinating disaster response services following an adverse event can be challenging. Through a single point of contact, DRS matches the right experts to your unique loss recovery needs, and provides the on-the-ground support, oversight, and project management services to streamline your recovery process.

From disaster preparedness and mitigation, to response and recovery, you gain immediate access to a comprehensive suite of disaster management services through our Managed Vendor Partner (MVP) Program. Our MVPs are best-in-class, offer competitive pricing, and are able to respond to any size need at a moment's notice.

About Disaster Recovery Services, LLC

Averaging over 30 years in the disaster recovery and planning preparedness space, our personnel have managed and coordinated the successful recovery of hundreds of complex disaster events around the world totaling billions of dollars. As the go-to experts, we hold a unique skillset that combines skilled disaster project management with an in-depth knowledge of financial claims recovery, resulting in a streamlined approach. We provide superior advisory services and on-the-ground support to help you prepare for, respond to, and recover from unplanned events. Our team is made up of accountants, architects, construction consultants, engineers, project managers, and restoration specialists, to name a few, and we have focused our careers on providing turnkey disaster recovery solutions to organizations in need.
